
Philips
Hip case

For mobile phone

DLM1662

Keep your phone secure

with tri-layered hip case protection

Universally sized to fit a variety of smaller mobile phones, our hip case features tri-layer construction for optimal device protection. The durable moulded design provides screen protection and the EVA foam absorbs shock if bumped or dropped.

Attractive protection
- Simple, stylish design

Protection on the go
- Three layers of protection

Smart design
- Sturdy belt clip keeps your device close at hand
- Convenient and stylish design

PHILIPS
sense and simplicity

Highlights

Sturdy belt clip
The sturdy belt clip secures your device to your belt, pocket or bag strap so it's always close at hand.

Simple, stylish design
This case is designed to provide protection for your device - in style.

Convenient and stylish design
The convenient and stylish design fits anywhere and goes everywhere.

Three layers of protection
Three layers provide superior protection. The outer layer is made of a durable woven textile. The middle layer consists of pre-formed EVA foam with air cells to add cushioning. The inner layer of soft, lint-free microfibre protects and cleans the device's face.
